

REGISTRATION TO THE ANNUAL MAINTENANCE PROGRAM AND WARRANTY ACTIVATION FORM FOR THE STATE OF IOWA

Dear Customer,

Congratulations and thank you for purchasing a Premier Tech Aqua (PTA) treatment system! We are honored to count you among the thousands of homeowners and families who trust PTA's technologies for all their wastewater treatment needs. To activate your warranty and confirm your registration with our Annual Maintenance Program, it is essential that you complete and return this form to PTA without delay. By registering your septic system with us, you will benefit from all the advantages and warranty protections offered to all our customers, as well as the first annual maintenance visit (the year following the installation of the system) included in the purchase price of your product. The annual maintenance service then needs to be provided year after year and for the life of your system by a qualified member of PTA's one-of-a-kind network of local service partners.

IMPORTANT: As required by local regulation in effect, it is your responsibility to ensure that your maintenance contract remains valid at all time, and that the contract agreement made with the manufacturer (PTA) not be interrupted. To make this a hassle-free process, PTA will send you a letter every year to remind you when it's time to renew your maintenance contract with us. For real peace of mind! Should you have any questions about our products or suggestions to improve our customer services, please do not hesitate to contact us at 1 800 632-6356 or send us an email to pta@premiertech.com. Follow Ecoflo® Biofilter on Facebook or visit us on the web for news and information on onsite wastewater treatment and tips to ensue the long life of your septic system. We look forward to serving you, and we thank you again for choosing Premier Tech Aqua!
